Demographic Questions

Gender *

- Male
- Female
- Diverse
- Prefer not to say

Do you have prior experience with programming? *

- Yes
- No

Have you attended this course before? *

- Yes
- No

How high is your general motivation to learn programming? *

- very high
- high
- normal
- low
- not at all

Which course topic are you currently working on? *

- Collections
- Functions

* Gibt eine erforderliche Frage an

Didactic Behavior

Did the chatbot mostly give you tips and ideas, or complete solutions? *

- almost always tips
- mostly tips
- balanced
- mostly complete solutions
- almost always complete solutions

Did you find new solution approaches yourself based on the chatbot's hints? *

- always
- often
- sometimes
- rarely
- never

How helpful were the chatbot's follow-up questions for your own thinking? *

- very helpful
- rather helpful
- neutral
- rather not helpful
- not helpful at all

Did you feel that the chatbot supported you in learning independently? *

- strongly yes
- rather yes
- partly
- rather no
- not at all

Did you feel that the chatbot responded to your personal questions and prior knowledge? *

- very much
- rather yes
- partly
- rather no
- not at all

Did you receive answers that matched your current level of knowledge (not too easy, not too difficult)? *

- mostly appropriate
- sometimes too easy
- sometimes too difficult
- often inappropriate

How helpful was it for you that the chatbot considered the previous course of conversation? *

- very helpful
- rather helpful
- neutral
- rather not helpful
- not helpful at all

Did you feel that the chatbot's explanations were consistent with the course content? *

- always
- mostly
- partially
- rarely
- never

Were there moments when the chatbot discussed topics that you think were not part of the course? *

- yes
- no

How confident were you that the chatbot's answers actually came from the course materials? *

- very confident
- rather confident
- partly
- uncertain
- very uncertain

* Gibt eine erforderliche Frage an

Context Awareness

Code context: Did you feel that the chatbot was able to understand the current state of your code? *

- always
- mostly
- partly
- rarely
- never

Did you feel that the chatbot recognized and incorporated changes in your code quickly and reliably? *

- always
- mostly
- partly
- rarely
- never

Task context: Did you feel that the chatbot understood the task correctly and included it in its answers? *

- always
- mostly
- partly
- rarely
- never

Combination of code and task: Did you feel that the chatbot considered and related both the code and the task context together? *

- always
- mostly
- partly
- rarely
- never

To show that you are reading carefully, please select 'Strongly Agree' for this question. *

- Strongly Disagree
- Neutral
- Agree
- Strongly Agree

Would such a combination of task and code awareness be helpful for future exercises? *

- always
- mostly
- partly
- rarely
- never

* Gibt eine erforderliche Frage an

User-Friendliness and Handling

How easy was it for you to use the chatbot? *

- very easy
- rather easy
- neutral
- rather difficult
- very difficult

How clear and understandable was the chatbot's language and phrasing? *

- very clear
- rather clear
- neutral
- rather difficult to understand
- very difficult to understand

Did you feel respected and taken seriously by the chatbot's phrasing? *

- yes, very much
- rather yes
- partly
- rather no
- not at all

Did you trust the chatbot's answers? *

- yes, completely
- rather yes
- partly
- rather no
- not at all

Were there any technical issues (e.g., delays, wrong embedding, errors in recognizing your code)? *

- yes
- often
- sometimes
- rarely
- never

* Gibt eine erforderliche Frage an

General Experience

How did you find working with the chatbot overall? *

- very helpful
- rather helpful
- neutral
- rather not helpful
- not helpful at all

Please briefly describe your impressions: What did you particularly like? What bothered or irritated you? *

Meine Antwort

Did working with the chatbot increase your motivation to work on the tasks? *

- strongly yes
- rather yes
- neutral
- rather no
- not at all

Did you feel that the chatbot made you think and experiment more actively? *

- strongly yes
- rather yes
- neutral
- rather no
- not at all

Have you ever used ChatGPT (or other LLMs) to solve programming exercises or similar tasks? *

- always
- mostly
- partly
- rarely
- never

Thinking about your own learning success: Do you find this chatbot more helpful than ChatGPT (or other LLMs)? *

- always
- mostly
- partly
- rarely
- never

Thinking about your exam success (preparation, long-term understanding): Do you find this chatbot more helpful than ChatGPT (or other LLMs)? *

- always
- mostly
- partly
- rarely
- never

Would you continue to use ChatGPT (or other LLMs) to directly generate solutions instead of working with this chatbot? *

- always
- mostly
- partly
- rarely
- never
